Springer / Birkhauser

Technical Frontiers, Inc.

Booth 1 – Technical Frontiers, Inc. (TFI)

Technical Frontiers, Inc. (TFI) is a management consulting firm with a keen focus on developing long-term partnerships with commercial and government organizations that are in need of specialized technology-enabled change agent support. Our staff possess broad clinical, health policy, data analysis and information technology expertise coupled with deep health industry domain knowledge, blended with cutting edge technical skills and broad consulting capabilities.

Booth 4 – Provonix

Provonix is a customer-focused contract research organization specializing in Statistical Consulting and Statistical Programming. Through our strategic partners we also provide support in all data-related aspects of clinical trials, including Data Management, Medical Writing, and Pharmacokinetics. The Provonix Team is made of highly experienced professionals with a shared goal in developing products that will help people lead better, healthier lives.

Booth 5 – SCT Information Booth

Booth 7 – Clinical Conductor CTMS

Clinical Conductor is the industry's first collaborative and configurable CTMS for organizations managing or executing clinical trials. Clinical Conductor provides users with the specific features and functionality they need to effectively collaborate with or among sites and other partners, deliver high-quality research and maximize profitability. <http://bio-optronics.com/clinical-conductor/>

Booth 8 – CRC Press / Taylor & Francis Group

Chapman & Hall/CRC and the Taylor & Francis Group is a premier publisher of books and journals in biostatistics and clinical trials. Visit our display to browse our latest books, covering clinical trials, survival analysis, adaptive designs, and more, as well as to pick up sample copies of our journals, including the Journal of Biopharmaceutical Statistics

Booth 9 – SAGE

Founded 50 years ago by Sara Miller McCune to support the dissemination of usable knowledge and educate a global community, SAGE publishes journals, books, and library products spanning a range of subject areas. SAGE remains majority-owned by our founder, who has assured that the company will remain permanently independent. Visit us at www.sagepub.com.

Booth 10 – Springer / Birkhauser

Throughout the world, Springer provides scientific and professional communities with superior specialist information – produced by authors and colleagues across cultures in a nurtured collegial atmosphere. Springer fosters communication among customers – researchers, students, and professionals – enabling them to work more efficiently, thereby advancing knowledge and learning. Our dynamic growth allows us to invest continually all over the world.
